Workshop on Plagiarism and Academic Integrity among Research Community

Venue: Moot Court Hall, Academic Block, National Law University, Delhi,

Secotr-14, Dwarka, New Delhi-110078 Date & Time: 30th November 2015 at 2.00 p.m.

National Law University Delhi is going to organizing a Workshop on Plagiarism and Academic Integrity among Research Community. The workshop shall emphasise over the various issues relating to different types of plagiarism persist and faced by research scholars. The objective of the event is to make acquaint academic community to preserve their scholarly research output from persistent of any duplication of work.

The term "Plagiarism" knots 'copying other work' without assigning proper credentials to original author or contributor. Sometime knowingly or in ignorance, the researchers have to include the part of the text or complete research output of others. As the research is a process of again search among persistent knowledge, it becomes necessary to trace historical development of a subject area in current research work. The workshop has been designed with the objective to educate Ph.D. research scholars, LL.M. students, faculty members and Research Associates familiarizing with best and positive manner of referring and citing research works of others.

- a) To familiarize with different ways of plagiarism.
- b) To acquaint using established research in future research
- c) To apprise of using Turnitin Plagiarism Software showing Similarity index

100 participants will be registered on first cum first served basis. For registration send your request mail to priyanlud@gmail.com
