

Call for Interns

Two Interns required by the Centre for Environmental law, Policy and Research (CELPR) at National Law University, Delhi.

Applicant should be keenly interested in the area of environmental law and protection and must have done some work in it.

The intern is expected to research on topics pertaining to Environmental Law both at the national as well as International level. The intern is also expected to help with the coordination of conferences/ seminars, development of newsletter and other such work required by the Centre.

The directed work shall mostly be online in nature. However, the intern shall be required to make weekly visits pertaining to work allocated.

Interested candidates are required to mail their curriculum vitae to vishwendra.panwar@nludelhi.ac.in by 12/04/2019. Shortlisted candidates will be called for interview on 15/04/2019.

Duration: 20 April 2019 to 20 July 2019.

On completion of internship, Certificate of CELPR shall be provided.
