Hon'ble Sir,

On behalf of National Law University Delhi, we congratulate your elevation as the 48th Chief Justice of India. Under your tenure, we are certain that the judiciary will remain a beacon of hope and justice for all. As an institution of high calibre academic and research intensive achievements, we are privileged to continue supporting the judiciary on diverse issues of public significance.

NLU Delhi has been leading the way in reimagining access to justice through its specialised research centres over the last decade, as part of our mandate in making lasting contributions to the socially relevant legal education.

The University has prioritised legal aid and access to justice as an issue that demands research driven interventions in collaboration with judicial institutions and the legal fraternity. As the judiciary evolves into a more equitable space for the socio economically disadvantaged, we will be delighted to play an active role in aiding this evolution. Further, over the next decade, we also seek to create a more interdisciplinary pedagogy that combines the best of theory and practice. We would be privileged to receive your mentorship and guidance in all our future endeavours.

The University remains honoured by your presence as a Visitor here. We seek your cooperation and support to further consolidate our position as one of the leading law schools in the country.

We look forward to a valued and enduring association in your capacity as the Chief Justice of India and as a Visitor to the University.

With warm respectful regards,

Sincerely yours,

Professor Srikrishna Deva Rao
