

# NATIONAL LAW UNIVERSITY DELHI

## Sector 14, Dwarka, New Delhi - 110078

### **CALL FOR APPLICATIONS: DIRECTOR (ARTIFICIAL INTELLIGENCE APPLICATION)**

#### **Background:**

National Law University Delhi (NLU Delhi) established in the year 2008 with the initiative of High Court of Delhi and the Govt. of NCT of Delhi is a premier Law University in the country. Dynamic in vision and robust in commitment, the University in a very short span of time has shown exemplary promise to become a world class institution. NLU Delhi has been consecutively ranked number two in the NIRF rankings of Law Universities in the country for the last seven years. The University is offering the five-year integrated B.A. LL.B. (Hons.) programme, LL.M. (Regular), Joint Masters/LL.M. in IP Law and Management Programme, LL.M. (Pro.), Ph.D. and diploma programmes.

The University has made tremendous contributions in public discourse on law through pedagogy and research. Over the last decade the university has established many specialised research centres and this includes the Centre for Communication Governance, Centre for Innovation, Intellectual Property and Competition, Centre for Corporate Law and Governance, Centre for Criminology and Victimology, and Project 39A. Through its faculty, the University has made submissions, recommendations, and worked in advisory/consultant capacities with government entities, universities in India and abroad, think tanks, private sector organisations, and international organisations. As a leading institution of higher learning in India, the University is also keen to create interdisciplinary approaches as part of its commitment towards high quality education and research.

The University is looking for a Director (Artificial Intelligence Application) who will support and guide us on artificial intelligence use issues and assist the University in taking advantage of AI's promise by bridging the gap between the technology's intricacies and its demands. The applicants should be willing to work with a diverse consortium of experts across leading academic institutions, industry partners, government organizations, NGOs and international organizations and should be able to think creatively, take initiative, be a team player, and have excellent communication and interpersonal skills. The detail of the requirements for the said positions is as follows:-
