

MASTERCLASS ON

FORMULATING RESEARCH TOPICS, GENERATING RESEARCH QUESTIONS & EXPLORING LITERATURE USING AI TOOLS

A pioneering scholar who institutionalized the tradition of empirical research in India, he is internationally recognized for his profound expertise in this domain. A distinguished researcher and teacher with over two hundred publications, he possesses exceptional command over advanced quantitative and qualitative methodologies. At present, he is exploring the frontiers of AI-enabled empirical and doctrinal research, reimagining how technology can transform the study and understanding of law.

Masterclass by :
Prof. (Dr.) G.S. Bajpai
NLU Delhi

STRUGGLING TO CHOOSE A RESEARCH TOPIC FOR YOUR WRITING? YOU ARE NOT ALONE

Whether you're a **Ph.D. scholar, LLM student**, or a legal researcher or a social science academic preparing your next paper, choosing a meaningful research topic and framing impactful questions can be a **challenging and often frustrating** process.

But here's the good news—AI is here to transform your research journey.

Remember- knowing an AI tool is not enough, applying it to your writing needs is the key.

This Masterclass will make you interact with AI tool in generating your ideas.

WHAT YOU WILL LEARN:

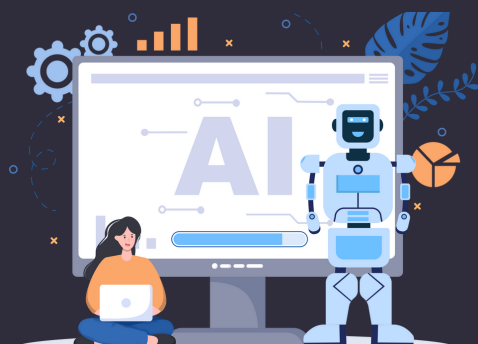

How to generate nuanced, insightful prompts for identifying a research theme

Using AI tools to support a **layered, systematic exploration** of research problems

Crafting research questions that are contextual, meaningful, and lead to **rich literature discovery**

Techniques to develop **reasoned arguments** using AI-assisted tools

Avoiding pitfalls: Why using AI is not enough unless you know **how** to use it smartly

PEDAGOGY:

This session goes beyond theory. You will:

- Work directly with curated AI tools
- Engage in real-time demonstrations

WHAT THIS MASTERCLASS OFFERS:

This is not another lecture or slide-based presentation.

This is a **hands-on, real-time practical session** designed to answer your **actual questions** and help you navigate the **process of legal research** using the power of AI.

October 30th, 2025
9:30 A.M. to 5:00 P.M.

NLU Delhi, Sector 14, Dwarka
