ABOUT CENTRE FOR TRANSNATIONAL COMMERCIAL LAW

Centre for Transnational Commercial Law (CTCL) is the University's flagship research center dedicated to commercial law excellence. CTCL engages in advisory and policy work with leading institutions including IBBI and CII, conducts academic programs, and organizes national and international events and competitions that bridge theory with practice.

DIPLOMA IN BUSINESS AND LAW FOR ENTREPRENEURS AND START-UPS 2026-27

About the Course

Start-ups are vital to the growth of the economy of our country. Governmental policies in the last few years aim to promote, entrepreneurship and innovations in all fields. While there is no dearth of fertile, innovative, and dedicated minds in our country, many startups often remain unable to take off or crash soon after take-off due to a lack of adequate knowledge about key legal issues. The course aims to address the latter by equipping the participants with practical insights into the what, how, and why of Law for Entrepreneurs.

The course covers comprehensively all the major aspects applicable to a start-up to operate in India including how to raise external funding to scale your business. This course provides the basics of entrepreneurial laws and some key practice aspects which will be very useful for non-lawyers and start-ups ecosystem.

The course is divided into six modules, where the first two modules will make participants acquainted with foundational principles of commercial transactions and business entities.

The course covers comprehensively all the major aspects applicable to a start up to operate in India including how to raise external funding to scale your business. The certificate courses offered specialize in their respective areas of business and law. They are designed to help participants gain expertise in their respective areas of specialization.
